## Dental Student

A commitment to education shows how serious you are about succeeding in your career. AGD helps you grow before you even leave school by providing ways to:

- Connect with peers and mentors by joining a local student chapter.
- Get help finding a residency program.
- Receive discounted or free registration to national education events.

## New Dentist

Your needs have shifted from your days in dental school, and AGD provides resources essential to start your career with opportunities to:

- Connect with a mentor through the Mentor Program Directory.
- Refinance your student loan, or sign up for free professional liability insurance with Exclusive Benefits.
- Find your first job through the Career Center.

## Mid-Career Dentist

Experienced dentists serve the needs of their patients while running busy practices. AGD helps you excel with:

- Leadership opportunities within the AGD.
- Discounts on business tools such as credit card processing, customer service training and website management.
- A library of AGD oral health fact sheets to help you keep your patients informed.

## Experienced Dentist

Whether your goal is to create a legacy, make contributions to the field, or get more engaged, AGD provides resources for you to:

- Pursue AGD's Lifelong Learning and Service Recognition award.
- Share your knowledge by becoming a PACE-approved AGD speaker.
- Transition toward retirement with practice resources.
