ACTIVE GENERAL DENTIST

Dentists who graduated from an accredited school of dentistry more than four years ago, or who successfully completed an accredited general practice residency (GPR) or advanced education in general dentistry (AEGD) program in the U.S. or Canada, or who hold a license to practice dentistry in any state or territory in the U.S. or province of Canada. Dentists who are practicing in a country outside the U.S. or Canada are eligible for active general dentist membership if they meet these criteria.

ASSOCIATE

Dentists who are graduates of accredited dental schools or hold a license to practice dentistry in any state or territory in the U.S. or province of Canada but are practicing as specialists rather than general dentists.

AFFILIATE

All persons not eligible for any other type of membership in the AGD but who support the aims and objectives of the organization.

In recognition of the financial challenges faced by students and recent graduates, the AGD provides reduced annual dues for the the following membership categories:

RECENT GRADUATE

Dentists who have graduated in the past four years from an accredited dental school in the U.S. or Canada.

RESIDENT

Dentists currently enrolled in an accredited advanced education in general dentistry (AEGD) or general practice residency (GPR) in the U.S. or Canada. Other types of residencies (e.g. post-doctorate, masters) do not qualify for the residency discount. Proof of residency enrollment needs to be provided to the AGD on official program letterhead. AGD members may earn up to 150 hours of CE for the completion of an accredited one-year general practice residency, or up to 300 credit hours for the completion of a two-year residency.

DENTAL STUDENT

A pre-doctoral student of an accredited dental school in the U.S. or Canada.

**Official accreditation is given by the Council on Dental Accreditation (CODA) in the U.S. and the Council on Dental Accreditation in Canada (CDAC) for all Canadian provinces.*
