Where: Modern Art Museum **Fees:** \$150 - AGD Dentists
3200 Darnell Street \$350 - Non AGD Dentists
Fort Worth, TX 76107 \$75 - Staff

How do you respond to your patient's questions about the ads they have recently seen promoting "Teeth in a Day"? Are you familiar with techniques and material advances that allow the general dentist to offer similar services? Dr. Wagner is eager to demonstrate the techniques required to make denture fabrication a predictable, efficient and profitable service in any general dental practice.
