

Exquisite Complete and Implant Retained Over-Dentures Calibrated for the General Practitioner

Presented by Dr. Joseph Massad

Friday, August 7, 2009

DCDS Building • Dallas, TX

8:00 a.m. - 5:00 p.m. • 8 hours lecture credit

This presentation will cover the most important aspects of complete removable dentures reloaded to include implant retained over-dentures and why unsuccessful cases are generally a result of an inadequate assessment thereby leading to a weak treatment plan. Helpful tips to eliminate this situation will be detailed. An assessment checklist designed to investigate and review those areas generally attributed to unsuccessful results will be highlighted. Making the most desirable impressions both internal and external will bring the audience up to current methods. To sum it all up come ready to learn and have fun.
