

## **Surgical Complications from A to Z**

**Jedediah V. Huss, DDS, DICOI**

Subject: 690 Implants

Credits: 1

Method: Lecture

Thursday, Oct. 24: 7:30–8:30 p.m. CDT

Audience: Students, Residents, Dentists

Fee: \$37.50 (students and residents); \$75 (members); \$125 (nonmembers)

### **Description**

Surgery does not always go as planned. We will discuss various surgical complications and how they can be addressed during surgery as well as how they can be avoided.

### **Learning Objectives**

- Review the importance of case selection and how to achieve consistent successful outcomes.
- Identify potential surgical complications and minimize them.
- Manage surgical complications.

### **Speaker Bio**

Jedediah V. Huss, DDS, DICOI, received his doctorate in dental surgery from the University of Southern California Herman Ostrow School of Dentistry. He currently holds the status of diplomate with the International Congress of Oral Implantologists. Huss has published multiple articles related to dental implants and is founder and CEO of Restored Smiles Ranch Courses and Restored Smiles Ranch.
