

BODEX: Ethics in Dentistry

8/17/23 | 6pm - 9pm

Course Description:

Join us for an interactive discussion about ethics in dentistry. Attendees will discuss the different perspectives in a variety of ethical dilemmas. This course meets the Arizona BODEX requirements for licensure renewal.

Course Objectives:

1. Review fundamental concepts of ethical standards in the dental profession
2. Recognize factors when presented with ethical dilemmas
3. Engage and discuss the multiple sides of multiple ethical dilemmas

Course Speaker Bio:

Dr. Mai-Ly (My-Lee) Duong, DMD, MPH, MEd, MAGD, FACD, FICD, FPFA, FSCD received her Doctor of Dental Medicine (DMD) and Masters in Public Health (MPH) from A.T. Still University. She completed a Masters in Education (MAEd) with a dental emphasis from the University of the Pacific. She serves as a full-time Associate Professor and Director of Special Care Dentistry at the Arizona School of Dentistry and Oral Health The Center for Advanced Oral Health. She works to support students, residents, and faculty treating individuals with special needs and complex medical conditions. She also works as a part-time associate dentist at Sundance Dental Care.

Her many accomplishments and contributions to the dental profession has earned her recognition as a Master of the Academy of General Dentistry (MAGD), Fellowship in the Special Care Dentistry Association (FSCD), Fellowship in the American College of Dentists (FACD), Fellowship in the International College of Dentists (FICD), and Fellowship in the Pierre Fauchard Academy (PFA).
