Undetectable and Long Lasting Restorations: Planning and Technique for Stellar Dentistry

Learn simple, repeatable step by step techniques to deliver undetectable direct and indirect restorations. Do your Class 4 restorations show the fracture line? Class 3's and 5's not blend into the tooth? Adaptation issues in proximal boxes of Class 2's? Struggle with Black Triangle Closer? Not confident with direct composite veneers? Want to do more indirect veneers? Bonus: planning for smile design. This course will teach you new tips and tricks to allow all these restorations to disappear.

Course Objectives:

- Learn new prepping, restoring and finishing technique for undetectable direct composite restorations
- Gain confidence for increased longevity with direct and indirect restorations
- Learn the five minute finish for composite: Line angles, Fossa, Surface Texture
- Apply smile design principles for better outcomes and increased patient acceptance

COURSE FEES: AGD MEMBER \$265 NON AGD MEMBER \$365 STAFF \$95
8:30a-4:30p (Breakfast and Lunch Provided) Hands ON CE Credits 7
