The Academy of General Dentistry (AGD) is initiating a search for a new Executive Director.

Headquartered in Chicago, Illinois with a membership of approximately 37,000, the AGD’s mission is to serve general dentists, to promote the oral health of the public, and to foster continued proficiency of general dentists through quality continuing dental education and advocacy to better serve the public. Incorporated in 1952, the AGD is a 501(c)(6) organization that employs approximately 60 individuals and utilizes nearly 400 volunteers to achieve its mission.

The Executive Director serves as the key management leader of AGD and is responsible for overseeing the strategic, operational, financial and governance plans of the organization to help it consistently achieve its mission and objectives. The position reports to the Board and may also serve as the Executive Director of the AGD Foundation, AGD’s philanthropic arm that promotes oral cancer awareness.

The Executive Director will join the organization during a time when general dentists and their profession are facing new challenges caused by unprecedented events. These present a unique professional opportunity for this position to implement strategies, to enhance the value of membership, and to increase overall engagement. New membership models and governance structures are being considered that would modify how general dentists interact with the organization, its high-quality programs, services, and benefits. A visionary and agile professional who can lead the organization through these changes and challenges is required to maximize the effectiveness of these initiatives.

The position of the Executive Director for AGD will have a compensation package that is commensurate with experience and record of success. Send your resume and benefit requirements to HumanResources@AGD.org.

This is an opportunity to lead the world’s largest organization exclusively representing the needs and interests of general dentists!
