Copyright Release

*Each author must read and sign the Copyright Release **OR** the Statement of Federal Employment.*

The manuscript _____ and all accompanying, corresponding, and supporting materials, including but not limited to photographs, illustrations, charts, graphs, tables, audio, and video (the "Work"), is an original work exclusively submitted to *General Dentistry* by the undersigned, who agree that it has not been previously published or electronically communicated in any way and has not been submitted, proposed, or promised to any other publisher in any media.

The author(s) undersigned grant to the Academy of General Dentistry (AGD) for the full term of copyright available worldwide under any copyright law, any and all rights the author may have in the Work, including without limitations North American serial rights to publish Works in any tangible medium of expression, now known or hereafter conceived or created, from which it can be perceived, reproduced, or otherwise communicated, either directly or with the aid of a machine, software, or device, including without limitation the rights to archive, republish, electronically publish on demand, edit, repackage, or revise any Work in any manner as the AGD sees fit.

If the AGD Editor approves the Work for publication, *General Dentistry* agrees to publish or otherwise distribute the Work at its expense in such style and format as deemed expedient, including but not limited to the tangible mediums of expression listed above.

General Dentistry retains the right to edit the Work according to its style and format standards and practices. *General Dentistry* reserves the right to cancel publication or distribution of the Work at any time for any reason.

Authorship Statement (all authors)

Each author must read and sign the Statement on Authorship Criteria.

I have participated sufficiently in the conception and design of this work or the analysis of the data, as well as the writing of the manuscript, to take public responsibility for it. I believe the manuscript represents valid work. I have reviewed the manuscript submitted to *General Dentistry*, and I approve it for publication. Neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere.

Acknowledgment (corresponding author only)

The corresponding author must ALSO sign the Acknowledgment.

All persons who have made substantial contributions to the work, including those who provided writing assistance but who are not authors, are named in the Acknowledgment section of the manuscript and have given me their written permission to be named. If the submitted manuscript does not include an Acknowledgment section, it is because the authors have not received substantial contributions from nonauthors.
