

# WHY RESIDENTS SHOULD JOIN AGD

Whether your goal is to create a foundation for lifelong learning, make professional connections or learn more about managing student debt, AGD has the resources you need to be successful. AGD understands and caters to the unique situation of residents and new dentists by providing:

## CE Opportunities

Residents can earn up to 150 CE hours for a 1-year program and up to 300 hours for a 2-year program to count toward achieving the AGD Fellowship Award.

## A Local Community

Gain access to local dentists in your constituent to build your network and help with finding a job post-residency.

## Advocacy Efforts

AGD exclusively represents the interests of current and future general dentists and helps you be the voice of change within the profession.

## Exclusive Benefits

Save on costs associated with your new career, including complimentary liability insurance, student loan refinancing and more.
