Principles of Third Molar Extractions
Model Surgery Participation

Tooth #1 Vertical Impaction Tooth #17 Mesioangular Impaction w/ root tip removal

Principles of Third Molar Extractions
Model Surgery Tooth #1 Vertical Impaction
Surgical Sequence

Flap Design
Make Incision
Flap Reflection
Remove Buccal Bone
Expose CEJ Of 3rd
Elevate In Down Back Out
Remove Tooth
Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

WINTER ELEVATOR 14L / R

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions

Model Surgery Tooth #1

- Flap Design
- Make Incision
- Flap Reflection
- Remove Buccal Bone
- Expose CEJ Of 3rd
- Elevate In Down Back Out
- Remove Tooth
- Place Suture

Principles of Third Molar Extractions
Model Surgery Tooth #17 Mesioangular Impaction
w/ root tip removal
Surgical Sequence

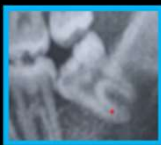

Flap Design / Incision
Flap Reflection
Buccal Groove/Trough 703
Hemi Section
Separate Roots with w/ 34S
Remove Distal Root

Elevate Mesial Root w/ 301
Remove Mesial Root
Open Socket/Trough w/ 703
Elevate Distal Root Tip
Irrigate - Place Sutures

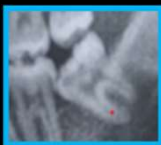

Principles of Third Molar Extractions
Model Surgery Tooth #17

Flap Design / Incision
Flap Reflection
Buccal Groove/Trough 703
Hemi Section
Separate Roots w/ 34S
Remove Distal Root

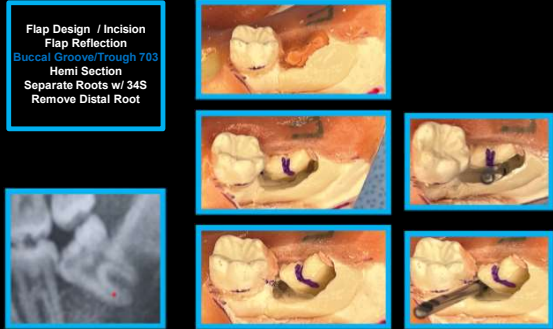

Principles of Third Molar Extractions
Model Surgery Tooth #17

Flap Design / Incision
Flap Reflection
Buccal Groove/Trough 703
Hemi Section
Separate Roots w/ 34S
Remove Distal Root

Model Surgery Tooth #17

Flap Design / Incision
Flap Reflection
Buccal Groove/Trough 703
Hemi Section
Separate Roots w/ 34S
Remove Distal Root

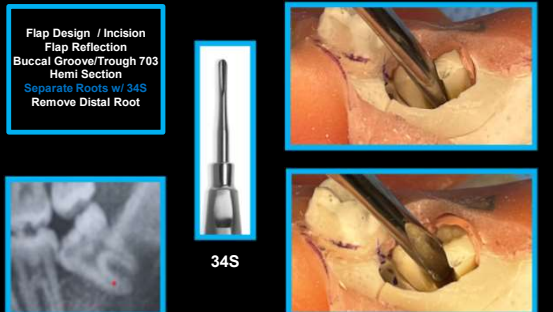

Principles of Third Molar Extractions
Model Surgery Tooth #17

Flap Design / Incision
Flap Reflection
Buccal Groove/Trough 703
Hemi Section
Separate Roots w/ 34S
Remove Distal Root

Principles of Third Molar Extractions
Model Surgery Tooth #17

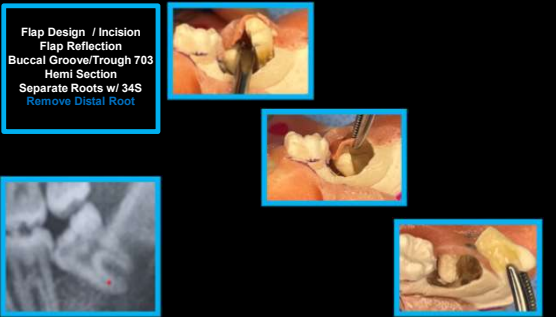

Flap Design / Incision
Flap Reflection
Buccal Groove/Trough 703
Hemi Section
Separate Roots w/ 34S
Remove Distal Root

Principles of Third Molar Extractions

Model Surgery Tooth #17

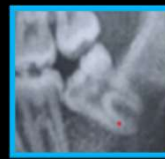

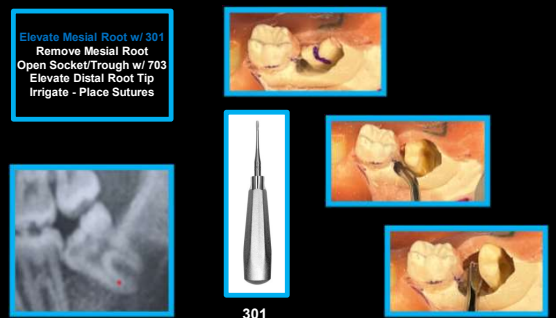

Flap Design / Incision
Flap Reflection
Buccal Groove/Trough w/ 703
Himal Section
Separate Roots w/ 34S
Remove Distal Root

Principles of Third Molar Extractions

Model Surgery Tooth #17

Elevate Mesial Root w/ 301
Remove Mesial Root
Open Socket/Trough w/ 703
Elevate Distal Root Tip
Irrigate - Place Sutures

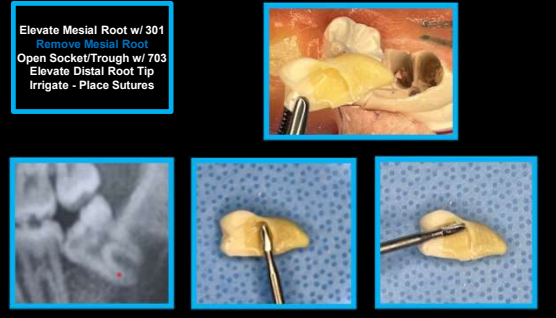

301

Principles of Third Molar Extractions

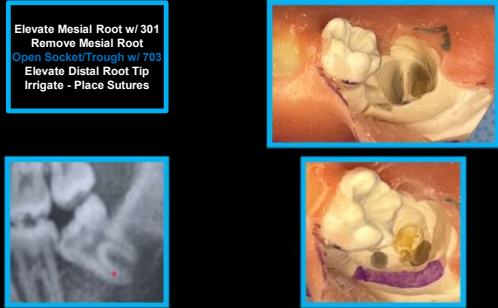

Model Surgery Tooth #17

Elevate Mesial Root w/ 301
Remove Mesial Root
Open Socket/Trough w/ 703
Elevate Distal Root Tip
Irrigate - Place Sutures

Principles of Third Molar Extractions
Model Surgery Tooth #17

Elevate Mesial Root w/ 301
Remove Mesial Root
Open Socket/Trough w/ 703
Elevate Distal Root Tip
Irrigate - Place Sutures

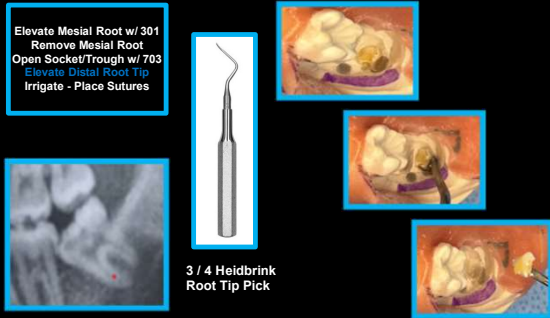

Principles of Third Molar Extractions
Model Surgery Tooth #17

Elevate Mesial Root w/ 301
Remove Mesial Root
Open Socket/Trough w/ 703
Elevate Distal Root Tip
Irrigate - Place Sutures

3 / 4 Heidbrink
Root Tip Pick

Principles of Third Molar Extractions
Model Surgery Tooth #17

Elevate Mesial Root w/ 301
Remove Mesial Root
Open Socket/Trough w/ 703
Elevate Distal Root Tip
Irrigate - Place Sutures

Principles of Third Molar Extractions

Model Surgery Tooth #17

Elevate Mesial Root w/ 301
Remove Mesial Root
Open Socket/Trough w/ 703
Elevate Distal Root Tip
Irrigate - Place Sutures

An Introduction to Third Molar Impactions Questions ?
