Guidelines for Graphic Standards and Reproduction of the Logo for the Academy of General Dentistry PACE Program

The following document outlines the appropriate use of the Academy of General Dentistry's (AGD) Program Approval for Continuing Education (PACE) logo. The examples on the following pages are the only official logos approved for use by AGD PACE-approved continuing dental education providers to indicate their organization's approval by the AGD.

The AGD PACE logo itself should not be altered in any way; to do so would be a violation of the AGD trademark. On the following pages are examples of correct and incorrect ways to use the AGD PACE logo, followed by the logo use agreement.

September 2014

Approvals

The maximum term of approval will not exceed four years. Shorter terms of approval will be awarded if there are deficiencies or concerns that would justify an earlier re-evaluation date. In these cases, the reason(s) for a shorter period of approval will be identified and provided to the program provider. In no case will approval be granted for a period of less than one year.

Program providers approved by the PACE Council shall be designated “approved program providers” for the length of the approval period. Approval of a program provider does not imply recognition or approval of that program provider’s parent or satellite organizations, cooperating agencies, parent company, subsidiaries, or divisions.

Any reference to the awarding of continuing education credit by a PACE-approved program provider in its announcements, promotional materials, publications, or any other form of communication must conform exactly to the examples on the next page.

The AGD will publish an official list of program providers approved by the PACE Council and update this list whenever there are additions, deletions, or status changes. This list is available on the AGD’s website, www.agd.org.

AGD PACE Logo Options

There are four options for the AGD PACE logo: two with the longer approval statement and two with the shorter approval statement.

You have the option to use either the longer or shorter approval statement with the AGD PACE logo.

The approval statement (long or short) must appear with the current dates in conjunction with the AGD PACE logo on all promotional material. Your current term of approval can be found at www.agd.org/education-events/pace.aspx

The approval statement can be placed directly under or on the right side of the AGD PACE logo, as shown to the left.

The terms “accreditation” or “accredited” must not be used in conjunction with AGD PACE approval.

Font style for the approval statement should be sans serif (Arial or Helvetica) and cannot be smaller than 6 point in size.

The AGD PACE logo should not be smaller than 3/4 inch in size and not larger than 2 inches in height.

The AGD PACE logo should never be larger than the provider’s logo.

The AGD PACE logo should be black, or in case of a dark colored background, white. It should not appear in any other color

DO NOT separate the AGD logo from the PACE text or approval statement.

Misuse of the AGD PACE logo compromises the image of the AGD. In order to maintain the brand identity, it is important to follow the graphic standards outlined on the previous pages.

Some common misuses of the AGD PACE logo, signature, and standard relationships are shown. Although these examples do not include every incorrect use, they provide the background necessary to determine the recommended acceptable and unacceptable usage of the AGD PACE logo and standard relationships with the approval statement.

DO NOT reduce the size of the AGD PACE logo so that it's unreadable.

DO NOT alter any brand identity color combinations within the AGD PACE logo

DO NOT alter the language of the accepted AGD PACE approval statements in any way.
