

Overview & Benefits

The AGD student FellowTrack program provides students with an opportunity to get a head start toward earning the prestigious AGD Fellowship (FAGD) designation while still in dental school.

The Student FellowTrack program works with dental school faculty, AGD constituents, and student leaders to provide dental students with an array of benefits, including educational and social activities, an introduction to organized dentistry, post-graduation assistance, networking opportunities, mentoring, and more.

FREE CE for all AGD Members

All AGD members receive six free webinars a year! For more information please visit www.agd.org/FreeCE. These webinars will allow members to earn continuing education (CE) credits that can be applied toward achievement of our prestigious AGD Fellowship Award (FAGD). As a student members you can earn as many as 50 credit hours while you're still a dental student.

FREE Transition Manual

AGD's student and recent graduate transition manual offers information on goal setting, career options (including ownership), marketing, financial planning, continuing education, organized dentistry, and more! You'll even find essential patient and office management forms to get your new practice up and running! Online access to this second edition is FREE to AGD members!
