### Instructors

#### H. Michael Sefranek DMD, MAGD.

The presenter has lectured on orthodontics at New York University School of Dentistry, the New York County dental Society, the International Association for Orthodontics(IAO) national meeting, and IAO New England, and the Rhode Island AGD (Academy of General Dentistry). He is past president of New England Mastertrack, current president of the Rhode Island AGD, as well as past president of the IAO New England. He has also been a clinical faculty member at the Advanced Education in General Dentistry program at University of Connecticut where he lectured on cosmetic dentistry and has been a clinical research associate with the PEARL Network at NYU School of Dentistry. The lecturer has owned a cosmetic / orthodontic & pediatric, general dental practice since 1991 and completed construction on a new 7,500 sq. ft. dental office building in 2017.

**Michael Ungerleider DMD, MAGD.** The presenter has lectured on orthodontics at the IAO New England since 2005 and lectures for the CT Study Club for Dental Excellence (a chapter of the Seattle Study Club) and annually at the New England Annual Dental Symposium at Jay Peak. He is past president of New England Mastertrack, past president of the Hartford Dental Society, past president of the Connecticut State Dental Association as well as the current IAO New England vice president. He has Incorporated Orthodontics into his general practice for the past 27 years. The lecturer has owned a high tech restorative & cosmetic dental practice since 1991 and completed construction on a new dental office building in 1994. He will share how technology can enhance the patient experience and how to have a patient centered practice. Annual Collections In the Top 5% Nationally.
