

"Malpractice & Opioids: Risk Management for Today's Dentist"

Friday September 18th 2026

Opioids: Safe prescribing with **John Olsen, DDS, MAGD, DICOI**

Morning session:

Learning Objectives:

- Understand the intricacies of ADME in pharmacology
- Understand the effects that opiates elicit
- Be comfortable with certain ways to combat pain without opiates
- Understand the long-term effects that opiates have in the patient population
- Be able to understand and administer common anti-inflammatory agents
- Understand proper steroid prescription usage in the dental care setting

This continuing education course can fulfill the CE requirement of 2 hours in the topic of prescribing of controlled substances for the treatment of dental pain for Wisconsin License renewal.

Malpractice Prevention with **Larry Oxenham Author,** **Senior Advisor**

Afternoon session:

Lawsuit Protection and Prevention to Improve Patient Care

This course teaches proven strategies dentists can use to reduce legal risk, protect personal and professional assets, minimize taxes, and create an effective estate plan.

Learn how to prevent common lawsuits, safeguard your practice and wealth beyond insurance coverage, reduce liability for staff actions, and implement tax-saving and wealth-transfer strategies that can benefit you and your family for generations.

Gain the peace of mind needed to focus on what matters most, providing exceptional patient care.

Speaker biographies:

John Olsen, DDS, MAGD, DICOI

Dr. John Olsen has been a solo practitioner in general and advanced surgical dentistry in Franklin, Wisconsin, since 1992. A former full-time faculty member at Marquette University School of Dentistry and adjunct faculty at Milwaukee Area Technical College, he has dedicated his career to clinical excellence and dental education. An AGD Master and recipient of the Life Long Learning Award, he is an internationally recognized lecturer on oral cancer, oral medicine, pharmacology, and implant dentistry. He serves on the faculty of the Misch Implant Institute, has authored publications and national examination content, and has held numerous leadership roles in organized dentistry, including AGD Trustee for Region 9 and founding board member of the United States Board of Oral Implantology.

Larry Oxenham, Author, Senior Advisor

Larry Oxenham is one of America's top asset protection experts, having helped thousands of doctors achieve financial peace of mind by teaching them how to properly structure their assets for lawsuit protection and tax reduction. He has authored and co-authored several articles and books on the subject including *The Asset Protection Bible* and *How to Achieve Financial Peace of Mind through Asset Protection*. His career has been credited with helping thousands of people save millions of dollars. Larry Oxenham is a nationally recognized speaker who has trained thousands of professionals at hundreds of conventions, conferences and seminars across the country.
